Carry a
MediPAL® Card
It could save your life!

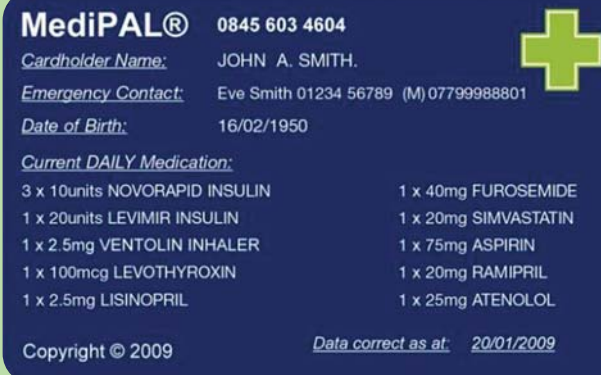

www.medipal.org.uk

MediPAL® is an ingenious way of making sure that if you have a medical emergency your personal medical status is immediately available wherever and whatever situation you find yourself in.

MediPAL® – now that's peace of mind.

+ MediPAL® for you

Carry the MediPAL card and you'll never need to worry about medical emergencies again. It contains all your personal medical history including details of the medicines you are taking, your GP's contact details, and emergency contact details for your family. The size of a credit card, it fits into a purse or a wallet. You simply submit your medical history to us and we send you a personalized MediPAL card that one day could help to save your life. You can update your card at any time online and a new card will be created and sent out immediately. You can also display the MediPAL logo in your car or at your front door to let people know that they can find your medical history if they need to. MediPAL – now that's peace of mind
